ABOUT US

HUS Ltd. is a family company established in 1990 and headquartered in the city of Plovdiv, Bulgaria. Its main activity is trade and manufacture of steel products for which it is greatly recognized and has a superior reputation among most companies in the country and Balkan region.

Over the years the company has invested in technological equipment, brand new and modern warehouses and human capital development. The wide range of steel products and high volumes of stock enable the company to suffice the market's demand for steel goods in various fields – construction, engineering, processing, etc.

GALVANIZED PROFILES FOR DRY CONSTRUCTION AND ACCESSORIES

PRODUCTION

We produce all the range of profiles for dry construction systems and accessories for them.

	SMALL			
PROFILE TYPE	PACKAGE	BUNDLES	METERS	
CD 60/ 27/ 3000 mm	12 pcs	180 pcs	540 m	
CD 60/ 27/ 4000 mm	12 pcs	180 pcs	720 m	
UD 28/ 27/ 3000 mm	16 pcs	288 pcs	864 m	
CW 50/ 3000 mm	8 pcs	128 pcs	384 m	
CW 75/ 3000 mm	8 pcs	96 pcs	288 m	
CW 100/ 3000 mm	8 pcs	64 pcs	192 m	
UW 50/ 3000 mm	12 pcs	180 pcs	540 m	
UW 75/ 3000 mm	12 pcs	144 pcs	432 m	
UW 100/ 3000 mm	12 pcs	96 pcs	288 m	

Currently we have 12 modern lines for cold bending, with capacity of more than 2 500 000 lineal meters monthly.

All our products have the necessary attests and quality certificates.
